Drikalite®

Drikalite® is a fine particle size, dry ground marble with high brightness and a white color. Drikalite offers the formulator or compounder a relatively fine product at an economical price for use in coatings, caulks and rubber compounds. Drikalite is used in a broad range of applications such as:

- Traffic Paints
- Flooring Compounds
- Patching Compounds
- Construction Adhesives
- Caulks and Putties
- Mastics
- Tile Grouts
- Foam and Rubber Compounds
